Judge Gordon,

On 11/14/24, you dismissed the El Dorado County, CA defendants from my lawsuit, without prejudice for lack of personal jurisdiction (ECF 271). You granted me leave to file a surreply, which I did on 12/16/24. The surreply points out that you did not give me leave to amend my complaint as to these defendants in violation of clearly established law. It also includes evidence that these defendants purposefully injected themselves in Nevada's affairs on multiple occasions. It has been more than 90 days since I filed the surreply. Pursuant to LR IA 7-1, I am writing you to ask that you issue an order on this issue as soon as possible. I remind you that defendant Vern Pierson has been violating my first amendment rights for over a year, after he blocked me on Linked In. I should not be forced to go to a California federal court to get urgently needed relief, if this court can properly exercise personal jurisdiction.

I also want to take this opportunity to remind you that I filed a Motion for Reconsideration on 11/25/24 (ECF 279).

I have no way of knowing when the 9th Circuit will come back with its ruling on my preliminary injunction appeal. It would be nice to have the issues I raised in this letter decided before the 9th rules, so that I can amend my complaint efficiently.

Sincerely,

A handwritten signature in blue ink, appearing to be "Michael Sternberg", with a long horizontal stroke extending to the right.

Michael Sternberg
